

Radiological ²⁰¹⁷ Diagnosis and Therapy in Oncology

- The 17th Annual Scientific Meeting of Macao Radiology Association
- The 11st Annual Scientific Meeting of Macao Oncology Association
- Scientific Meeting of The Macau Healthcare Management and Promotion Association
- The 17th Annual Scientific Meeting of Macao Radiological Technologists' Association

09th September 2017

Hospital Visit & President Round Table Discussion													
Time	Event												
10:45-12:15	Hospital Visit Centro Hospitalar Conde de São Januário. – Radiology Department												
12:30-14:00	Lunch President Round Table Discussion <table style="width: 100%; border: none;"> <tr> <td style="width: 25%;"><i>Macao SAR, China</i></td> <td style="width: 25%;"><i>China</i></td> <td style="width: 25%;"><i>Vietnam</i></td> <td style="width: 25%;"><i>Myanmar</i></td> </tr> <tr> <td><i>Japan</i></td> <td><i>Korea</i></td> <td><i>Philippines</i></td> <td><i>Taiwan</i></td> </tr> <tr> <td><i>Thailand</i></td> <td><i>Malaysia</i></td> <td><i>Hong Kong SAR, China</i></td> <td><i>Indonesia</i></td> </tr> </table>	<i>Macao SAR, China</i>	<i>China</i>	<i>Vietnam</i>	<i>Myanmar</i>	<i>Japan</i>	<i>Korea</i>	<i>Philippines</i>	<i>Taiwan</i>	<i>Thailand</i>	<i>Malaysia</i>	<i>Hong Kong SAR, China</i>	<i>Indonesia</i>
<i>Macao SAR, China</i>	<i>China</i>	<i>Vietnam</i>	<i>Myanmar</i>										
<i>Japan</i>	<i>Korea</i>	<i>Philippines</i>	<i>Taiwan</i>										
<i>Thailand</i>	<i>Malaysia</i>	<i>Hong Kong SAR, China</i>	<i>Indonesia</i>										

Cultural Exchange	
Time	Event
14:00-17:30	Cultural Exchange
18:00-21:00	Dinner (Invited guest only)

2017 Radiological Diagnosis and Therapy in Oncology

- The 17th Annual Scientific Meeting of Macao Radiology Association
- The 11st Annual Scientific Meeting of Macao Oncology Association
- Scientific Meeting of The Macau Healthcare Management and Promotion Association
- The 17th Annual Scientific Meeting of Macao Radiological Technologists' Association

10th September 2017

08:30-15:30	Registration
-------------	---------------------

Scientific Papers of Radiological Technologists (Hall B)		
Time	Topic & Speaker	Moderator
Session - I		
08:56-09:08	128 層螺旋 CT CARE kV 聯合 SAFISRRTR 技術在肺動脈成像質量與輻射劑量中的應用研究 JianMing YU, President, Chinese Society of Imaging Technology, China	Danis Chin Chun U
09:08-09:20	T1 mapping 在心肌 MR 檢查中應用 JunHui ZHENG, President, Guangdong Province Medical Radiology, China	
Session - II		
09:20-09:30	Comparison of CT dosimetry between Ionization chamber and Solid-state detector Jiraporn THANABORDEEBONSIRI, Mahidol University, Thailand	Cobie Yuen Ting HO
09:30-09:40	Protective Effect of Organ Dose Modulation on Lens in Brain CT Pou Chu KUOK, Macao Radiological Technologists' Association, Macao SAR	
09:40-09:50	A Study of Radiographer's Knowledge Level on Contrast Media Used in Radiological Procedure Lai Kuan CHAN, Malaysian Society of Radiographers, Malaysia	
Session - III		
09:50-10:00	Nonenhanced ECG-Gated Quiescent-Interval Single-Shot MRA (QISS-MRA) of the Lower Extremities Peripheral Arterial Disease, Comparison with CT Angiography and DSA Ming YANG, Chinese Society of Imaging Technology, China	Io Pong LAM
10:00-10:10	A Systematic Review on the Efficiency of Triple Phasic Multi-Detector Computed Tomography and Magnetic Resonance Cholangiopancreatography in Evaluating Cholangiocarcinoma Wei Ting CHAI, Hospital Pakar Sultanah Fatimah, Muar, Malaysia	
10:10-10:20	Evaluation of CIDP lesion with FSPGR: with phantom study 2D vs. 3D Ken_ichiro YAMAMURA, Department of Radiology, Osaka Medical College Hospital, Japan	
10:20-10:30	Introduction of Magnetisation Transfer Imaging Mei Lok CHIANG, Macao Radiological Technologists' Association, Macao SAR	
10:30-10:45	Tea Break	
Session - IV		
10:45-10:55	Evaluation of the character of the slice profiling on α degree - β degree - γ degree typed FSE sequences Kojiro YAMAGUCHI, Fujita Health University, School of Health Sciences, Faculty of Radiology, Aichi, Japan	Cora NG
10:55-11:05	Optimization of Radiation Dose and Image Quality in Abdominal Radiography for Portable Digital Radiography System Suwan-o-pas SIRANYAPONG, Chulalongkorn University, Bangkok, Thailand	
11:05-11:15	Geiger-Müller Counter with Data Logger for Radiation Monitoring in Medical Field Panatsada AWIKUNPRASERT, Khon Kaen University, Thailand	
11:15-11:25	Comparison of PHITS Monte Carlo Simulation and Micro-Diamond Measurement for Determination of the Output Factor of Small Field Sizes in 10 MV Photon Beam Kitsana UTAPOM, Mahidol University, Thailand	
Session - V		
11:25-11:35	Management of Radiation-Induced Dermatitis using Low-Level Laser Therapy (LLLT) in Nasopharyngeal Cancer (NPC) Patients Receiving Chemo-Radiotherapy: A Randomized-Controlled Trial (MARVEL) - Preliminary Report of Pilot Study Victor Chi Wing TAM, The Hong Kong Polytechnic University, Hong Kong SAR	Maggie Mei Lok CHIANG
11:35-11:45	Experience Sharing of SBRT for Prostate Cancer in Prince of Wales Hospital Ho Yan LO, Hong Kong Association of Radiation Therapists, Hong Kong SAR	
11:45-11:55	Experience Sharing of Respiratory Motion Management in Prince of Wales Hospital Ying Fai LAM, Hong Kong Association of Radiation Therapists, Hong Kong SAR	
11:55-12:05	The Clinical Usage of ExacTrac System at Prince of Wales Hospital Herman Man Him CHOW, Hong Kong Association of Radiation Therapists, Hong Kong SAR	

Radiological Diagnosis and Therapy in Oncology

2017

- The 17th Annual Scientific Meeting of Macao Radiology Association
- The 11st Annual Scientific Meeting of Macao Oncology Association
- Scientific Meeting of The Macau Healthcare Management and Promotion Association
- The 17th Annual Scientific Meeting of Macao Radiological Technologists' Association

10th September 2017

08:30-15:30	Registration
-------------	---------------------

12:15-13:15	Lunch Break (Invited guest only)
-------------	---

13:30-14:00	Opening Ceremony (Hall A)
-------------	----------------------------------

Plenary Lecture of Physicians (Hall A)		
Time	Topic & Speaker	Moderator
14:05-14:25	介入放射科醫生在主髒動脈疾病的角色和任務 郭昌宇·澳門仁伯爵綜合醫院影像科顧問醫生	董道先 王曉白
14:25-14:45	甲狀腺癌的影像診斷及鑑別診斷 董道先·澳門腫瘤醫學會	
14:45-15:05	腫瘤的影像診斷 梁溢貞·澳門放射醫學會理事長	
15:05-15:25	肝癌的介入治療 張艷·中國廣東省廣州市暨南大學副教授	
15:25-15:45	PET/CT 在盆腔惡性腫瘤的應用 余國威·澳門放射醫學會副理事長	
15:45-15:55	Tea Break	
15:55-16:15	質子治療的現況及未來展望 梁頌文·澳門腫瘤醫學會	蕭光莉 余國威
16:15-16:35	質子治療計劃設計理念 黃曉延·中國廣東省廣州市中山大學腫瘤防治中心放療科副主任	
16:35-16:55	Evolution and Advances in Gynaecological Brachytherapy 張天怡·香港放射科醫學院院士	
16:55-17:15	腸癌放療的規範與進展 李寧·中國醫學科學院腫瘤醫院(國家癌症中心)放療科副教授	
19:15-22:00	Gala Dinner (Invited guest only)	

Radiological Diagnosis and Therapy in Oncology

2017

- The 17th Annual Scientific Meeting of Macao Radiology Association
- The 11st Annual Scientific Meeting of Macao Oncology Association
- Scientific Meeting of The Macau Healthcare Management and Promotion Association
- The 17th Annual Scientific Meeting of Macao Radiological Technologists' Association

10th September 2017

08:30-15:30	Registration
-------------	---------------------

12:15-13:15	Lunch (Invited guest only)
-------------	-----------------------------------

13:30-14:00	Opening Ceremony (Hall A)
-------------	----------------------------------

Plenary Lecture of Radiological Technologists (Hall B)		
Time	Topic & Speaker	Moderator
14:05-14:17	Accidents in Radiotherapy Maria Yuen Yee LAW, Director of Education, ISRRT	Robert Ta Liang, SHEN Jerry Kai Hong LEI
14:17-14:29	Role of the International Society of Radiographers and Radiological Technologists (ISRRT)- Past, Present and Future Chek Wee TAN, Regional Director Asia/Australasia, ISRRT	
14:29-14:41	Development of Radiological Technologist Profession in Macao Danis Chin Chun U, Chairman, Macao Radiological Technologists Association, Macao SAR	
14:41-14:53	Thai Radiological Technologists in 2017 Sala UBOLCHAI, President, The Thai Society of Radiological Technologists, Thailand	
14:53-15:05	The History and Future of the Radiological Technologists in Japan Naoki KODAMA, Director, Japan Association of Radiological Technologists, Japan	
15:05-15:17	Current Status of Radiological Technologists in Korea Wan Hee WOO, President, The Korean Radiological Technologist Association, Korea	
15:17-15:29	Historical Development of Radiological Technologists Services in Myanmar Khin Maung Tin, President, Myanmar Society of Medical Radiation Technologists, Myanmar	
15:29-15:41	Comparing and Explaining the Role and Position of Society toward the Radiological Technologists and Government of the Macao and Vietnam Van Loc THAI, President, Vietnam Association of Radiological Technologists, Vietnam	
15:41-15:55	Tea Break	
15:55-16:07	The Current Status and Future Outlook of Taiwan Association of Medical Radiation Technologists Chia-Chi HSIAO, President, Taiwan Association of Medical Radiation Technologists, Taiwan	
16:07-16:19	Development of Radiological Technologist Profession in Philippine Rolando Banares, President, Philippine Association of Radiologic Technologists, Philippine	
16:19-16:31	The Indonesian Radiographer's Development Giek SUGIYANTO, President, Indonesian Society of Radiographers, Indonesia	
16:31-16:43	The National Cancer Institute: Addressing the cancer needs of Malaysia Muhammad Faizal Bin Abdullah, President, Malaysian Society of Radiographers, Malaysia	
16:43-16:55	Radiological Technologist training in HK: Past, Current and Future Edward Ting Hei WONG, Chairman, Hong Kong Radiographers' Association, Hong Kong SAR	
16:55-17:07	The Application of Neck Compression MRI Scanning Technology in Orbital Varix ZongRui ZHANG, Chinese Society of Imaging Technology, China	
17:07-17:19	A Preliminary Study on Virtual Touch Imaging Quantification Elastography in the Evaluation of Thyroid Nodules Chiung-Wen KUO, President, Taiwan Society of Radiological Technologists, Taiwan	
19:15-22:00	Gala Dinner (Invited guest only)
