

The 23<sup>rd</sup> Annual Scientific Meeting of

Macao Radiological Technologists' Association

第23屆澳門放射師學會學術年會

Date: 10<sup>th</sup> September 2023

Venue: Hotel Studio City Macao, 3<sup>rd</sup> Floor, Ballroom / 新濠影滙，三樓，宴會廳

Certificate / Agenda / e-book

12:00-13:30	<b>Lunch (Invited guests only)</b> (Ballroom I / 宴會廳 I)
-------------	---

13:45-14:35	<b>Opening Ceremony</b> (Ballroom II / 宴會廳 II)
-------------	--

<b>Scientific Lectures for Radiological Technologist</b> (Ballroom III / 宴會廳 III)		
--	--	--

Time	Topic	Moderator
<b>Guangdong-Hong Kong-Macao Greater Bay Area Radiological Technologists' Alliance Forum</b>		
14:45-15:00	<b>Technician Management and Training Program in Department of Radiology</b> <i>Mr. Fei FENG, Vice President, Guangdong Medical Doctor Association Medical Imaging Technician Branch, China</i>	Mr. Fernando Leong Kei KOK Ms. Maggie Mei Lok CHIANG
15:00-15:15	<b>Radiographer Professional Training We Wish to See in GBA in the Near Future</b> <i>Mr. Apollo Pak Leung WONG, Chairman, The Hong Kong Radiological Technologists' Association, Hong Kong SAR China</i>	
15:15-15:30	<b>Education and Training of Hong Kong Diagnostic Radiographers in Hospital Authority</b> <i>Mr. Kin Mo LAM, Internal Secretary, The Hong Kong Radiographers' Association, Hong Kong SAR China</i>	
15:30-15:45	<b>An Overview to Education and Training of Radiological Technologists in Macao</b> <i>Ms. Cora NG, Chairman, Macao Radiological Technologists' Association, Macao SAR China</i>	
<b>International Radiological Technologist Forum</b>		
15:45-15:55	<b>The Value of 3T Magnetic Resonance Cholangio-pancreatography (MRCP) in Evaluating Choledocholithiasis</b> <i>Mr. Tri Dung LUU, Vice President of Central Vietnam, Vietnam Association of Radiological Technologists, Vietnam</i>	Mr. Ts. Sawal Marsait Ms. Peachy Luna
15:55-16:05	<b>In order to Reduce Metal Artifact, the Study in the Sequence of MRI for Metal Artifact Reduction</b> <i>Mr. Hyun Jun KIM, International Director, Chungcheongbuk-do Radiological Technologists Association, Korea</i>	
16:05-16:15	<b>Increased Diameter at the Aorta-Iliac Bifurcation in Patients with Abdominal Aortic Aneurysm: Associated with WSS Changes in Common Iliac Arteries</b> <i>Ms. Wen ZENG, Chinese Society of Imaging Technology, China</i>	
16:15-16:25	<b>Prenatal and Postnatal Imaging of Osteogenesis Imperfecta: Case Report and Literature Review</b> <i>Ms. Lao Hong IP, Macao Radiological Technologists' Association, Macao SAR China</i>	
16:25-16:40	<b>Tea Break</b>	
16:40-16:50	<b>Reduction of Image Artifacts in Patients with Gouty Arthritis of Foot Based on Multi-Parameter Dual-Layer Detector CT: Comparison Between Current and Improved Urate Algorithm</b> <i>Mr. Yiteng ZHANG, Chinese Society of Imaging Technology, China</i>	Ms. Ruet Chi LIN Mr. Marco Io Pong LAM
16:50-17:00	<b>Using Cone-Beam Computed Tomography in Reducing Patient Set-up Errors in Radiotherapy</b> <i>Mr. Duc Tin PHANG, Chairman of Radiotherapy, Vietnam Association of Radiological Technologists, Vietnam</i>	
17:00-17:10	<b>Magnetic Resonance Imaging (MRI) In Breast Imaging</b> <i>Ms. Ann Nee GOH, Radiological Technologist of Radiology Department in Sunway Medical Center, Malaysia</i>	
17:10-17:20	<b>APT-Weighted Imaging Application to Brain Tumors</b> <i>Ms. Chia Ying HO, Taiwan Society of Radiological Technologists, Taiwan</i>	
17:25-17:35	<b>A Feasibility Study for Forming Composite Materials between Natural Rubber and Dolomite Cement to Develop X-ray Shielding Materials</b> <i>Mr. Parama TRISUKHON, The Thai Society of Radiological Technologists, Thailand</i>	Mr. Hyun-Jun KIM Mr. Jerry Kai Hong LEI
17:35-17:45	<b>Effects of Optimizing Automatic Exposure Control Factors on the Dose Reduction in Paranasal Sinus X-ray</b> <i>Mr. Min Gyu JEONG, Scholarship Manager, Chungcheongbuk-do Radiological Technologists Association, Korea</i>	
17:45-17:55	<b>Establishment of an Institutional Diagnostic Reference Level for Coronary Angiography Procedures in Sri Lanka</b> <i>Mr. Chathura Jayaruk HORADIGALA, Editor of Society of Radiological Technologists Sri Lanka, Sri Lanka</i>	
17:55-18:05	<b>Clinical Competencies and Performance of Radiologic Technology Interns in General Radiography</b> <i>Ms. Victoria C. ESTIRA, Philippine Association of Radiologic Technologists, Philippines</i>	

18:45-21:00	<b>Gala Dinner &amp; Souvenir Exchange (Invited guests only)</b> (Ballroom I / 宴會廳 I)
-------------	---
